Certification instructions. Per Federal Appellate Court decision at Long v. Rasmussen, 281 F. 236 (1922): "The revenue laws are a code or system in regulation of tax assessment and collection. They relate to taxpayers and not to nontaxpayers. The latter are without their scope. No procedure is prescribed for nontaxpayers, and no attempt is made to annul any of their rights and remedies in due course of law. With them, Congress does not assume to deal, and they are neither of the subject or of the object of the revenue laws."

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form
